

RAFFAELE LUPOTTO

Raffaele Lupotto holds a degree in Economics from Cattolica University, Milan, and has a Master's in Business Administration from CUOA Business School, Vicenza. He completed also some courses in finance and strategy at Harvard Business School.

He began his professional career in finance, holding positions of increasing responsibility, first with Renault Italia, then with the bank BNL BNP Paribas and later becoming Financial & Controlling Manager for SAVE S.p.A., a company in the retail & food and beverage sector.

In 2007 he joined the Italcementi Group, becoming Head of Investor Relations at Ciments Français.

Since 2011 he has been Head of Investor Relations for the Piaggio Group.
